LET US FACE THE FACTS

Let us have no misunderstandings --- make no mistakes. The big issue of the State election of Monday, September 14th is

THE NEW DEAL

Not only is it the big issue in Maine, but the entire Country from Maine to California is waiting to see what Maine will do—whether they accept and endorse the *NEW DEAL* by the election of *NEW DEAL* candidates, posing under the name of Democrats—or whether they lead the Country in its rejection, by the election of the Maine Republican candidates by a rousing majority.

Never was the old saying so true as it is this year.

"As Maine goes so goes the Nation."

Regardless of party most Maine voters are against the *NEW DEAL*, because they bitterly resent its broken promises — its waste — its extravagance — its wicked folly in its destruction of crops, cattle and hogs.

They are against the addition of the hundreds of thousands of new office holders who have been created and must be supported by those who do not hold office.

They are against interference and dictation by the Government at Washington in the business affairs of the citizens of our State. They are against the attacks by the *NEW DEALERS* on the Constitution of the United States — because it has stopped and prevented some of the illegal and unwarranted interference in these affairs by the *NEW DEAL*.

Maine has been treated unfairly—it has been discriminated against by the *NEW DEAL* because; Maine has paid out more than \$3,000,000.00 in processing taxes—it has received less than \$7,000 in return. While other states favored by the *NEW DEAL* have received almost all of their relief funds from the Federal Government, Maine has received proportionately less than most states.

Most Maine voters are not stupid — they know that sooner or later every dollar spent must be paid for in taxes — that every person who is not on relief — who is not supported by the Government, either directly or indirectly, must pay these taxes. That the longer we have the *NEW DEAL* the higher the tax will be.

BE SURE YOU ARE REGISTERED — THAT YOUR NAME IS ON THE VOTING LIST SO THAT YOU MAY VOTE ON MONDAY, SEPTEMBER 14th.

TO VOTE AGAINST THE NEW DEAL — VOTE REPUBLICAN

THE REPUBLICAN PUBLICITY COMMITTEE OF MAINE.
